

HQ Women's Masters

Advice #1 (January 2024) for prospective players for National Championships

1. State Championships 19-21 April 2024, with trials Thursday 18 April.
2. National Championships 25 June to 7 July 2024 in Sydney.
3. Teams will be announced after the State Championships, on or about 24 April. Players will need to accept or decline their appointment by Monday 29 April – please note the very short acceptance turnaround.
4. Assembly date will be Tuesday 25 June 2024 at the accommodation in Sydney and accommodation has been booked through to Sunday 7 July 2024.
5. **PLEASE NOTE:** HQ have appointed a private travel agent to source and book accommodation in Sydney.
Players will be able to choose to room with other team members in a variety of rooming configurations eg. single apartment or shared apartment. The cost of individual player's accommodation will depend on the configuration chosen – someone choosing a single apartment/single room within a shared apartment will pay more than someone who chooses to share a room within a single apartment or shared apartment.
Players can take family to stay with them at the venue should they so choose but again will be responsible for all costs involved.
Further details will be supplied in due course. Indicative cost is \$120-130/bed/night.
6. Players will receive two invoices for payment – one directly from the travel agent for the accommodation, and one from Hockey Qld for championship costs. This will include a non-refundable travel agent administration fee of \$100. Payment for both will be due middle May.
7. Use of personal vehicles for team travel may be an option and details and costings are currently being finalised.
